

Introducing Color Creek-Fiber Art
to the Grand Valley
www.colorcreekfiberart.com 778-5985

When: 11-11-11 (Friday, November 11th, 2011 4:00 pm—9:00 pm)

Where: 2297 Tallgrass Road, Unit I. Located in the same space as the Fabric Arts Studio on 23 Road 1 block north of the 6&50

What: You are invited to come dip your fingers in the Color Creek experience by helping to paint the butterflies that have migrated to the shop. Bring the children, paint some silk, eat some food and stop to chat. I'd love to meet all who are curious to see the new Color Creek.

Food & Beverage: There will be finger food and beverages for you to enjoy. A donation of a dish to share would be gratefully accepted.

*7:00 will begin a special ceremony of movement and sound to accompany. Join in or watch from the sidelines. Singing bowls, incense, rattles or your voice—or anything else you think would contribute to help make this a wonderful community event.

Hope you
can come!
Mary
